DEGREES

Habilitation, Sociology, Martin Luther University of Halle, Germany, November 2008.

Dr. rer. soc. (~ Ph.D.), Sociology, Bielefeld University, June 2001.

Diplom (~ M.A.), Sociology, Bielefeld University, January 1998.

ACADEMIC POSITIONS

Since Fall 2013: Full professor at the Institute of Sociology, University of Jena, joint appointment with the Helmholtz Centre for Environmental Research – UFZ, Leipzig; since January 2014 Head of UFZ's Department of Urban and Environmental Sociology.

April 2005 – September 2013: Senior Research Scientist (granted tenure in 2009) at Helmholtz Centre for Environmental Research – UFZ, Germany; Since 2008 Deputy Head of UFZ's Department of Urban and Environmental Sociology.

April to September 2012: Professor (interim) of Economic and Environmental Sociology at Martin Luther University of Halle.

April 2002 – March 2005: Co-Director of Junior Research Group on “Real World Experiments,” Bielefeld University, funded by the *Volkswagen Foundation*.

August 2003 – December 2003 (fall term): Visiting Assistant Professor (research & teaching), Department of Sociology, Loyola University Chicago, USA.

July 2001 – March 2002: Post-doctoral Fellow (German Research Foundation – DFG), Institute for Science and Technology Studies (IWT), Universität Bielefeld.

February 2000 – July 2000: DAAD-Doctoral Fellow at the Department of Rural Sociology, University of Wisconsin, Madison, USA.

January 1998 – June 2001: Doctoral Student (from April 1999 as fellow of the German Research Foundation – DFG), Institute for Science and Technology Studies, Universität Bielefeld.

CURRENT AREAS OF RESEARCH AND SPECIALIZATION (in alphabetical order)

Cultural Sociology; Ecological Restoration and Design; Historical Sociology; Ignorance, Nonknowledge and Risk; Mobility and Culture; Nature-Culture Relations; Real World Experiments; Renewable Energy Systems; Senses & Society; Social Theory; Technology in Society; Theories of Sustainability and Transformation.

PUBLICATIONS

BOOKS (MONOGRAPHS AND EDITED VOLUMES)

- Sonnberger, Marco; Alena Bleicher & Matthias Groß, eds. (2024): *Handbuch Umweltsoziologie, second edition*, fully revised with now 62 entries. Wiesbaden: Springer (incl. co-authored intro).
- Gross, Matthias & Linsey McGoey, eds. (2023, fully revised new edition [first edition 2015; paperback 2017], new paperback 2024): *Routledge International Handbook of Ignorance Studies*. London: Routledge (incl. an all new co-authored introduction). First edition discussed e.g. in *The New York Times*, *The Washington Post* as well as several other popular and academic outlets.
- Davidson, Debra & Matthias Gross, eds. (2018): *Oxford Handbook of Energy and Society*. Oxford: Oxford University Press (including a co-authored introduction, conclusion and section intros). Reviewed e.g. in *Choice* and *Contemporary Sociology*.
- Telešienė, Audronė & Matthias Gross, eds. (2017): *Green European: Environmental Behaviour and Attitudes in Europe in a Historical and Cross-Cultural Comparative Perspective*. London: Routledge (including a co-authored introduction).
- Bösch, Stefan; Matthias Groß & Wolfgang Krohn, eds. (2017): *Experimentelle Gesellschaft: Das Experiment als wissenschaftliches Dispositiv*. Baden-Baden: Nomos Verlag (including a co-authored introduction). Reviewed e.g. in *Technikfolgenabschätzung: Theorie & Praxis (TATuP)*.
- Gross, Matthias & Rüdiger Mautz (2015): *Renewable Energies*. London: Routledge (Key Ideas Series). Reviewed e.g. in *TATuP*. Translated into Persian.
- Groß, Matthias (2014): *Experimentelles Nichtwissen: Umweltinnovationen und die Grenzen sozial-ökologischer Resilienz*. Bielefeld: Transcript (Science Studies Series).
- Groß, Matthias, ed. (2011): *Handbuch Umweltsoziologie*. Wiesbaden: VS Verlag (incl. an intro chapter and two co-authored articles). Reviewed in *Kölner Zeitschrift für Soziologie und Sozialpsychologie*.
- Gross, Matthias (2010): *Ignorance and Surprise: Science, Society, and Ecological Design*. Cambridge, MA: MIT Press (Inside Technology Series). Reviewed e.g. in *Choice*, *Building Research & Information*, *International Social Science Review*, *Metascience*, *Science as Culture*, *Sawari*, & *Tecnoscienza: Italian Journal of Science & Technology Studies*.
- Gross, Matthias & Harald Heinrichs, eds. (2010): *Environmental Sociology: European Perspectives and Interdisciplinary Challenges*. Dordrecht: Springer (incl. co-authored introduction, research article & coda chapter). Reviewed in *Jn. for Technology Assessment in Theory & Practice (TATuP)*.
- Groß, Matthias (2006): *Natur*. Bielefeld: Transcript [Introductory textbook in the *Reihe Einsichten: Themen der Soziologie*]. Reviewed e.g. in *Berliner Debatte Initial*, *Internationales Jahrbuch für Philosophische Anthropologie*, & *Soziologische Revue*.
- Groß, Matthias, Holger Hoffmann-Riem & Wolfgang Krohn (2005): *Realexperimente: Ökologische Gestaltungsprozesse in der Wissensgesellschaft*. Bielefeld: Transcript. Reviewed e.g. in *Politische Ökologie*, *Forum Qualitative Sozialforschung*, & *International Sociology*.
- Gross, Matthias (2003): *Inventing Nature: Ecological Restoration by Public Experiments*. Lanham, MD: Rowman & Littlefield/Lexington Books. Reviewed e.g. in *Contemporary Sociology*, *Ecological Restoration*, *Environmental Ethics*, *Sociologia*. Revised Doctoral Dissertation from 2001.
- Groß, Matthias (2001): *Die Natur der Gesellschaft: Eine Geschichte der Umweltsoziologie*. Weinheim: Juventa Verlag. Fundamentally revised and extended Diploma thesis from 1997.

EDITORSHIPS (SELECTION)

2005 – Indefinite: Editor of *Nature + Culture* (Publisher: Berghahn, NY). Listed e.g. in Scopus and the Social Sciences Citation Index (SSCI).

2017 – Indefinite: Coordinating Editor of *Restoration Ecology* (Publisher: Wiley, NY). Listed in Scopus and the Sciences Citation Index (SCI).

2014 – Indefinite: Founding Book Series Editor in *Environmental Sociology* (“Umweltsoziologie”) with Nomos Verlag, Baden-Baden, Germany.

2016 – Indefinite: Founding Book Series Editor in *Ignorance Studies*. London: Routledge.

2014: *Transdisciplinary Environmental Science*. Special issue of *Interdisciplinary Science Reviews*, Vol. 35 (4): 299-398. Guest Editor together with Michael Stauffacher (including a co-authored introduction).

2022: *Institutionalised Ignorance*. Special Issue in *Science as Culture*, Vol. 31 (4): 419-554. Guest Editor together with Samantha Vanderslott and Katharina Paul (including a co-authored introduction).

JOURNAL ARTICLES AND ESSAYS (* Web of Science/Clarivate-Listed Article)

*Sonnberger, Marco; Maria Pfeiffer, Alena Bleicher, and Matthias Gross (2024): “Wake Effects and Temperature Plumes: Coping with Nonknowledge in the Expansion of Wind and Geothermal Energy.” *Social Studies of Science* (forthcoming).

BOOK REVIEWS AND REVIEW ESSAYS (* ISI/Thomson Reuters Indexed)

In (for instance): **Canadian Journal of Sociology* (2011), **Contemporary Sociology* (2003, 2007, 2009, 2012), *Forum Qualitative Sozialforschung* (2006), **Futures* (2009, 2010), **Health Sociology Review* (2009), **History and Philosophy of the Life Sciences* (2003 [2], 2006, 2008, 2009, 2011 [2]), *H-Soz-Kult* (2020), **International Sociology* (2011 [3], 2012, 2020), *Local Environment* (2008), *Österreichische Zeitschrift für Soziologie* (2008), **Society & Natural Resources* (2005), *Soziale Systeme* (2001), *Soziologische Revue* (2002, 2007: Group Review of Six Books, 2022), *Technikfolgenabschätzung: Theorie und Praxis* (2003).

PAPERS AND WORK IN PROGRESS (SELECTION)

"Surprise! Surprise! Toward a Social Theory of Surprises"

"Narratives of Awakening and Victimization."

"The High Culture of Lowered Cars: Aesthetics, Active Suspensions, and Show Tuning."

"Rest in Pace: Firing Order and the Resonance of Cruising."

"Who Owns the Wind? Understanding Wind Energy Production through a Property Chains Perspective" (together with Marco Sonnberger and Maria Pfeiffer).

"Reallabore: Zur experimentellen Konstruktion von Gesellschaft" (with Stefan Bösch).

ACADEMIC SERVICES (Small Selection)

Since 2012: Founding Board Member of *Environmental Sociology*.

Since 2015: Editorial Board Member of *Science as Culture*.

Since 2015: Editorial Board Member of *Soziopolis* (Hamburger Institut für Sozialforschung).

Since 2020: Editorial Board Member of *Soziologie und Nachhaltigkeit: Beiträge zur sozial-ökologischen Transformationsforschung* (SuN).

2015-2019: Editorial Board Member of *Energy Research & Social Science*.

2021-2023: Editorial Board Member of *Energies*.

Since 2016: Editorial Board Member of *Restoration Ecology* and since 2017 Coordinating Editor for all social science related submissions.

2021-2023: Supervisory Board Member of the *Energy Research Centre of Lower Saxony* (Energie-Forschungszentrum Niedersachsen, EFZN).

2006-2018: Chair of the *German Sociological Society's* (DGS) "Environmental Sociology" section.

2011-2019: Chair of the Environment & Society Research Network (RN12), *European Sociological Association* (ESA), Board member since 2009.

2017; 2021: Evaluation Committee, Educational accreditation and re-accreditation of the Master Program in Transition Studies, University of Flensburg.

2013-2016: Member of Acatec-working group *Future Energy Systems* (Energiesysteme der Zukunft, ESYS), Expert Panel on Geothermal Electricity Production.

2014-2015; 2020-2021: Evaluation Committee, Educational accreditation and re-accreditation of the Master Program in Environmental Studies, FernUniversität Hagen.

2014-2018: Elected Board member of Research Committee 23, Sociology of Science and Technology, *International Sociological Association* (ISA).

2013-2015: Founding Board member of RN37, Urban Sociology, *European Sociological Association* (ESA).

2010-2018: Member of the Editorial Board of the *International Sociological Association's* review journal *Sociopedia.isa*.

2002-2010 (two consecutive four-year terms): Treasurer and board member of Research Committee 24, Environment and Society, *International Sociological Association* (ISA).

WORKSHOP, PANEL, & CONFERENCE ORGANIZATIONS (Selection since 2010)

Co-Organizer of two Sessions on "Ownership, Energy Justice and the Expansion of Renewables," *STS Conference Graz*, May 6-8, 2024.

Member of the Organizing Team of the Workshop on "Revolutionary Epistemology: New Directions in Ignorance and Failure Studies." University of Essex, March 11-13, 2024.

Member of the Organizing Team of the Conference "Energy, Environment and Societies in Crises," ESA RN12 mid-term and *Energy and Society Network* joint conference, Trento, Italy, September 6-8, 2023.

Co-Organizer with Adriana Mica and Mikołaj Pawlak of the Symposium on “Failure in Science: Context, Ignorance and the Future of Failing,” December 12-14, 2022, Hannover, Germany, fully funded by the *VolkswagenFoundation*.

Co-Organizer with Marco Sonnberger of two Sessions on “The Transition to Low-carbon Energy Systems and New Regimes of Ownership,” *STS Conference Graz*, May 2-4, 2022.

Co-Organizer of the *Fifth Energy & Society* Conference (also a Midterm Conference of ESA’s RN12). Topic: “Energy Transition: Does the Mountain Give Birth to a Mouse?” Trento, Italy, February 10-12, 2021.

Organizer of all sessions of RN 12, Environment and Society, at the 14th Conference of the *European Sociological Association* (ESA), Manchester, UK, August 20 to 23, 2019.

Co-Organizer of the *Fourth Energy & Society* Conference (also a Midterm Conference of ESA’s RN12), Exeter, September 3-5, 2018. Topic: “Energy Transitions in a Divided World.”

Organizer of all sessions of RN 12, Environment and Society, at the 13th Conference of the *European Sociological Association* (ESA), Athens, Greece, August 29 to September 1, 2017.

Organizer of the *Third Energy & Society Network’s* Conference (also a Midterm Conference of ESA’s RN12 in cooperation ISA RC24 and the DGS), Leipzig, September 12 to 14, 2016.

Organizer of all sessions of RN 12, Environment and Society, at the 12th Conference of the *European Sociological Association* (ESA), Prague, Czech Republic, August 25 to 28, 2015.

Member of Organizing Committee of the *Energy & Society Network’s* Conference on “Energy Transitions as Societal Transitions: Challenges for the Present and the Future,” (also a Midterm Conference of ESA’s RN12), Krakow, Poland, June 4-6, 2014.

Organizer together with Stefan Bösch & Wolfgang Krohn of a workshop on “Experimentelle Gesellschaft: Das Experiment als wissenschaftliches Dispositiv,” Karlsruhe, February 20-21, 2014.

Organizer of all sessions of RN 12, Environment and Society, at the 11th Conference of the *European Sociological Association* (ESA), Turin, Italy, August 28 to September 1, 2013.

Organizer together with Linsey McGoey of the panel on “Ignorance by Design: Rethinking Knowledge, Anti-knowledge and the Unknown in STS,” *4S/EASST Joint Meeting Design and Displacement*, Copenhagen, October 17-20, 2012.

Organizer of the panel “Beyond Risk: Governing Unknowns,” Research Committee on *Sociology of Science and Technology* (RC23), *Second ISA Forum of Sociology*, Buenos Aires, Argentina, August 1-4, 2012.

Co-organizer (with Birgit Blättel-Mink et al.) of the *3rd German Environmental Sociology Summit* on “Innovation and Sustainability: Beyond Technology,” Frankfurt, November 16-18, 2011.

Co-organizer of all sessions of RN 12, Environment and Society, at the 10th Conference of the *European Sociological Association* (ESA), Geneva, September 7-10, 2011.

Co-organizer of a joint conference with the Deutsches Jugendinstitut (DJI) and the German Sociological Society’s Environmental Sociology section on the theme *Konsum und Nachhaltigkeit*, May 2-3, 2011, Schweisfurth-Stiftung, Munich.

Member of the planning group for the “7th Japanese-German Frontiers of Science Symposium” of the *Alexander von Humboldt Foundation* in cooperation with the *Japan Society for the Promotion of Science*, Tokyo, Japan, November 11-14, 2010.

Co-organizer of the Theme Track “Innovation Networks and Real-World Experimentation,” *European Association for the Study of Science and Technology (EASST)*, Theme: “Practicing Science and Technology, Performing the Social,” Trento, Italy, 2-4 September, 2010.

COURSES TAUGHT AND PREPARED TO TEACH

“Introduction to Science and Technology Studies/Sociology of Science and Technology” (taught many times in different university contexts)

“Culture and Nature: Classical and Contemporary Perspectives,”

“Experiment and Society” (course on different forms of experimental knowledge generation outside the traditional sphere of science and their cultural and risk-related implications in historical perspective),

“Nothing Matters: Introduction to the Sociology of Nothing,”

“Car Cultures,”

“Decentralized Energy Systems” (Teaching / research project),

“Introduction to Sociology” (taught also for natural scientists and engineers as part of the Helmholtz-Graduate School),

“Animals and Society” (Introduction into sociological thinking on how human society is structured through its interaction with non-human animals),

“The Sociology of Surprises,”

“The Sociology of Gardening,”

“Ignorance, Science, & Society” (Courses focusing on risk, uncertainty, and ignorance as part of decision making in science, technology & engineering),

“Contemporary Environmental Sociology” (for sociologists as well as natural scientists & engineers, taught several times in university settings in Germany and the US. Sample course listed in *Teaching Environmental Sociology*, sixth edition, ed. by Michael Mascarenhas),

“Failure” (course on learning from failure, limits of successful failures, failed innovations, mishaps and accidents, coping strategies, technological change and risk)

“Classical Sociology and the Environment” (since 2015 taught as a Masters Course every other winter semester),

“Classical Social Theory,”

“Environment, Sustainability, and Society,”

“The Sociology of Space” (Course focusing on concepts of borders, technologies, artifacts, cultural spaces, practices, and attachment to places),

“Introductory course on Risk and Nature in Geography and Sociology” (co-taught with Christian Kuhlicke at the Department of Geography, University of Leipzig),

“History, Philosophy and Sociology of Science and Technology” (reading seminar taught with Mark B. Brown, Bielefeld University).

MANUSCRIPT & PROPOSAL EVALUATIONS, ADVISORY SERVICES, COUNCILS ETC.
(SELECTION OF CA. THE PAST 10 YEARS)

Book Manuscripts: *Ashgate Publishing; Earthscan; Edward Elgar; Johns Hopkins University Press; MIT Press; Oxford University Press; Palgrave; Polity Press; Routledge; Springer Publishing; University of Chicago Press.*

Journal Articles: *American Journal of Sociology; American Sociological Review; American Sociologist; British Journal of Sociology; Contemporary Political Theory; Current Sociology; Distinktion: Scandinavian Journal of Social Theory; Ecological Economics; Ecology & Society; Energy Policy; Energies; Energy Research & Social Science; Environment and Planning A and C; Environment, Development and Sustainability (ENVI); Environmental Earth Sciences; Environmental Politics; Environmental Sociology; European Journal of Sociology; European Urban and Regional Studies; FQS – Forum: Qualitative Social Research; Futures; Gaia; Geoforum; History of the Human Sciences; Human Ecology; Human Ecology Review; Humanities; International Journal of Sociology; Journal for Discourse Studies; Journal for Nature Conservation; Journal of Cleaner Production; Journal of Environmental Planning & Management; Journal of Environmental Policy & Planning; Journal of Historical Sociology; Journal of Responsible Innovation; Journal of Risk Research; Journal of Rural Studies; Kölner Zeitschrift für Soziologie & Sozialpsychologie; Land Use Policy; Landscape & Urban Planning; Minerva; Moravian Geographical Reports; Natural Hazards; Österreichische Zeitschrift für Soziologie; Organization & Environment; Organization Studies; Prometheus: Critical Studies in Innovation; Restoration Ecology; Risk Analysis; Science & Engineering Ethics; Science Communication; Science as Culture; Science & Public Policy; Science of the Total Environment; Science, Technology, & Human Values; Social Epistemology; Social Forces; Social Science History; Socio-Economic Review; Sociologica; Sociological Inquiry; Sociological Quarterly; Sociological Research Online; Soziale Systeme; Soziale Welt; Space and Culture; Sustainability; Sustainability: Science, Practice, & Policy (SSPP); Sustainability Science; Symbolic Interaction; TATuP; Technology in Society; Theoria; Theory, Culture & Society; Transactions of the Institute of British Geographers; Zeitschrift für Soziologie (among many others).*

Foundations & other Funding and Evaluation Agencies: *Academy of Finland; Alexander von Humboldt Foundation; Baden-Württemberg Programm Lebensgrundlage Umwelt und ihre Sicherung (BWPLUS); Belgian Science Policy Office; Bundesministerium für Bildung & Forschung (BMBF); Czech Science Foundation; Deutscher Akademischer Austauschdienst (DAAD); Deutsche Bundesstiftung Umwelt (DBU); Deutsche Forschungsgemeinschaft (DFG); EU/Horizon 2020; Energie-Forschungszentrum Niedersachsen; Evangelisches Studienwerk; Fonds Wetenschappelijk Onderzoek Vlaanderen (Research Foundation – Flanders, FWO); Fritz Thyssen Stiftung; Guggenheim Foundation; Independent Research Fund Denmark; Ministerium für Wissenschaft und Kultur des Landes Niedersachsen; Ministerium für Umwelt, Klima und Energiewirtschaft Baden-Württemberg (UM); National Science Foundation (NSF, US); National Science Centre (Narodowe Centrum Nauki - NCN) Poland; The Netherlands Organisation for Scientific Research (NOW); Österreichische*

Akademie der Wissenschaften; Österreichischer Wissenschaftsfonds (FWF); Portuguese Foundation for Science & Technology; Raumforschung und Raumordnung/Spatial Research and Planning; Research Council of Norway (RCN); Schweizerische Eidgenossenschaft/ Staatssekretariat für Bildung & Forschung (SBF); Schweizerischer Nationalfonds (SNF); Studienstiftung des Deutschen Volkes; Swiss Transdisciplinarity Award; Volkswagen Foundation; Wissenschaftsrat (Germany) (among many others).

SELECTION OF AWARDS, FELLOWSHIPS, JOB OFFERS, RESEARCH PROJECTS, ETC.

2023-2026: Research Project “RamonCO: Risk-Based Framework for Assessing CO2 Storage Monitoring.” PI: Danny Otto.

2021-2024: Advisory Board Member, Environmental Awareness Survey, German Federal Environmental Agency & Federal Ministry for the Environment, Nature Conservation and Nuclear Safety.

2021-2023: Advisory council member, Energy Research Centre of Lower Saxony (EFZN), Germany.

July 2022: Approval of Full Funding for a Symposium on “Failure in Science: Context, Ignorance and the Future of Failing” at Schloss Herrenhausen, Hannover, Germany (in cooperation with A. Mica & M. Pawlak, U Warsaw). Funding 58.900 EUR, December 2022.

November 2020: Approval of Research Project as part of SFB/Transregio 294 *Strukturwandel des Eigentums* on “Windernte und Wärmeklau als Indikatoren neuer Eigentumsordnungen” (“Harvesting Wind and Stealing Heat as Indicators of New Forms of Ownership”), University of Jena (in cooperation with U Erfurt), *German Research Foundation* (DFG). 48 person months (post doc) plus material expenses. Term: January 2021 to December 2024.

July 2019: Approval of “DigiMon: Digital Monitoring of CO2 Storage Projects.” *CLIMIT - Program for Power Generation with Carbon Capture and Storage*. Application Number: ES635519, Project Number: 299622. Overall funding: 6.466.0002€, UFZ sociology part: 36+ person months (post doc) plus material expenses. Term: Oct. 2019 to Sept. 2022.

July 2018: Winner of the Frederick Buttel Award for Distinguished Scholarship in environmental sociology by the Environment and Society Research Committee (RC24), *International Sociological Association* (ISA).

January 2014-2020: Integrated Project of the Helmholtz Association: *EnergyLandUse*. Working Packages on Governance Issues and Geothermal Energy, includes a post doc position for 36 person months.

May 2013: Awarded the Sage Prize for Innovation and Excellence of the British Sociological Association (BSA) in *Cultural Sociology*.

February 2013: Position Offered at the University of Jena, Germany in “Environmental Sociology,” Tenured Full Professorship (W3) as joint appointment with UFZ in Leipzig (accepted).

January 2013: Position Offered at the University of Freiburg, Germany in “Science and Technology Studies,” Tenured Full Professorship (W3, declined).

October 2012: Position Offered at the Catholic University of Eichstätt, Germany in “Process Oriented Sociology,” Tenured Full Professorship (W2, declined).

June 2011 to June 2014: “Tailored Improvement of Brownfield Regeneration in Europe – TIMBRE,” EU Proposal No. 265364–TIMBRE. Co-applicant and Person in Charge for the Work Package on *Decision Structures and Local Culture* as part of the Collaborative Project. Overall funding: 3.499.902€, UFZ sociology part: 36+ person months (post doc) plus material expenses.

November 2010 to June 2015: Person in Charge for the sociological Work Package in the EU Marie-Curie Action-Initial Training Network “Advancing Sustainable *In Situ* Remediation for Contaminated Land and Groundwater – ADVOCATE.” Overall funding: 3.450.000 €, UFZ sociology part: 24 person months (post doc) plus material expenses.

November 2009 - April 2014: Person in Charge for the EU Network of Excellence Project *Linking Impact Assessment Instruments to Sustainability Expertise*, LIAISE, Grant agreement no.: 243826–LIAISE (UFZ sociology funding: 268.000 Euros).

Awarded the 2007/08 *McCloy Fellowship in Environmental Affairs* from the “American Council on Germany,” New York, in cooperation with the USDA Forest Service Evanston, Illinois.

March 2006 to December 2012: Research project on science communication and sustainability evaluation as part of the “megasites” research on *Remediation of Regionally Contaminated Aquifers (SAFIRA II)*, funded by the Federal Ministry of Education and Research (BMBF).

September 2002: 2.600 Euros of student loans (BaföG) were forgiven due to early finishing of the course of studies and for a grade point average in the top 30% of 1998’s sociology diplomas at Bielefeld University.

November 2001 (date of approval): Research project funding (529.000 Euro) from the *Volkswagen Foundation* for an interdisciplinary junior research group on “Real-world Experiments” (together with Holger Hoffmann-Riem).

July 2001 to March 2002: Post-Doctoral Fellowship from the German Research Foundation – DFG, Institute for Science and Technology Studies, Universität Bielefeld.

June 2001: Doctoral degree in sociology (Dr. rer. soc.), Universität Bielefeld. Committee: Wolfgang Krohn (chair), Peter Weingart, Alex Preda, Otthein Rammstedt.

Summer 2000 – Spring 2001: Assistant Coordinator in the SEIN (Simulating sEelf-organizing Innovation Networks) project under the Tser (Targeted Socio-Economic Research) Program of the European Community, Director: Günter Küppers.

Spring Term 2000: Research Fellowship with the DAAD (German Academic Exchange Service) at the Department of Rural Sociology, University of Wisconsin, Madison, USA.

April 1999 to June 2001: Doctoral Fellowship (full funding) from the *German Research Foundation* (DFG) at the Graduate College *Genese, Strukturen und Folgen von Wissenschaft und Technik*, Institute for Science and Technology Studies, Universität Bielefeld.

1998: Universität Bielefeld, Department of Sociology: Award of the diploma degree (“With Distinction”), Committee: Wolfgang Krohn and Karin Knorr Cetina.

Summer semester 1995, winter semester 1996/97, and summer semester 1997: Teaching Fellowships at the Department of Sociology, Universität Bielefeld.

May – July 1996: Internship at the *Center for Applied Social Analysis and Education (CASAE)*, Arcata, California, USA.
